

## **ASAIHL Announcement**

We hope that you and your colleagues are safe and well as we all deal with the COVID-19 pandemic.

Because of travel restrictions imposed by COVID-19 and the airport closure causing many cancelled flights and some passenger flights have been banned from landing in the country to curb the outbreak of the coronavirus.

People are reluctant to travel because of health screening measures and the requirements of medical certificate to prove that passengers are fit to fly. In addition, government's 14-day mandatory quarantine for all overseas returnees.

Consequently we have to postpone all the three conferences this year including the Thai-Indonesia Rector Conference.

1. University of Warsaw has already put on the conference website official information about postponing the ASAIHL conference on Bridges for Science and Education in Warsaw until June 1-2, 2021, and the Board meeting will be then on May 31 2021.
